Self-taught, restless, and curious. I seek to integrate into a work team that allows me to improve and expand the knowledge acquired.

EXPERIENCE

DEVOPS / SYSADMIN

DGSISAN (AUGUST, 2023-PRESENT)

Part of the team responsible for maintaining environments dedicated to the application development cycle, implementing various tools to automate processes using Ansible, Python, PowerShell, and Bash.

I integrated a website with Nagios, enabling the visualization of the connection status of different healthcare centers via a web map using OpenStreetMap, PHP, and JS.

Data manipulation using Pandas for report generation.

Administration of Linux/Windows servers and monitoring systems.

Active Directory management and reporting, creation of GPOs, and management of shared network access.

HELPDESK

DGSISAN (MAY, 2023-JULY, 2023)

Providing remote support and telephone assistance for the healthcare system of CABA. Responsible for resolving and routing tickets within the internal system, where I implemented improvements to the ticket assignment search engine.

SECRETARY

DIETA CLUB DR CORMILLOT (JAN, 2019-APRIL, 2023)

Patient reception, social media management, and client retention.

Report preparation, agenda organization, and supplier contact.

Responsible for order preparation for clients, opening and closing of the establishment, cash and inventory control, sales, and invoicing.
